

Week Beginning: 14th May 2018

Theme: using tools

**Monday:** In the morning, we will play with cars, working on colour recognition, count objects in order and discuss what we use tools for. In the afternoon we will play with cars, and count in order, care for our vegetables, and can we guess what tool are used for.

**Tuesday:** In the morning, we will discuss what we like to do when we grow up, play catch in a group, and visit the chickens. In the afternoon we will attend forest school and go on a bug hunt, and sing our favourite songs.

**Wednesday:** In the morning, we will draw letter shapes, play a number frog game and read our book of the week. In the afternoon we will a create a picture using different tools, role play in the shop and play instruments to music.

**Thursday:** In the morning, we will attend forest school, take part in texture rubbings, and sing number rhymes. In the afternoon we will thread pasta, tend to our vegetables, and watch a video about tool usage.

**Friday:** In the morning, we will trace numbers, go on a number hunt and sing 'What's in the box?' In the afternoon we will role play cafe using ITC tools, visit the ponies and choose a rhyme in our rhyme box.

Forest School: Tuesday afternoon and Thursday morning

Home Learning: What tools do we use at home?

This is a brief overview of the week's planned activities.  
For more in-depth information please see the planning board in the classroom.
