

Week Beginning: 9th July 2018

Theme: Music and Dance

Monday: In the morning we will explore musical instruments and sing some rhymes. We will then take part in a picture making activity using shapes cut from and nursery rhyme pictures.

In the afternoon we will sing along to our favourite nursery songs. We will then talk about hospitals, doctors and nurses and encourage some role play interactions.

Tuesday: In the morning we will take part in some music and dance activities as a whole group. We will then do some small group reading activities and focus on the action words in the stories.

In the afternoon we will read our book of the week "Twelve Dancing Princesses". We will then go out to Forest School and make some musical instruments using various material materials. (Kazoos, shakers, drums and drumsticks etc.)

Wednesday: In the morning we will sing our favourite nursery rhymes as a whole group. We will then encourage the children to do some expressive painting whilst listening to music.

In the afternoon learn a dance routine together as a whole group. We work on some phonic sounds. We will then play some games like musical chairs, musical statues, musical bumps and pass the parcel.

Thursday: In the morning we will talk about moving house and read some books about travelling. We will then go out to Forest School where we will go on a Teddy Bears Picnic and sing "The Teddy Bear's Picnic". Song.

In the afternoon we will play our "What's in The Box" game to aid language and communication development. We will then learn "The Rainbow Song" and paint pictures of rainbows.

Friday: In the morning we will sing our number songs. We will then play with some musical instruments and focus on rhythm and rhyme. We will make some chocolate crispy cakes.

In the afternoon we will use the classroom tablets to listen to musical instruments from around the world. We will play a dressing up game with the teddy bears and teach them how to use the "Potty" to support children with toilet training.

Forest School: Tuesday afternoon and Thursday morning

Home Learning:

This is a brief overview of the week's planned activities.

For more in-depth information please see the planning board in the classroom.
